

# WAGAMAN NEWS

an update from Benjamin & Kelly Wagaman June 14, 2006

## The Road Ahead... *plotting out our next steps*

God's call can be quite peculiar at times. Eighteen months ago we were ready to pack our bags for Central Asia and now we are packing our bags for Ohio. As of August 2, 2006 Kelly and I will be resigning from Campus Crusade for Christ.

We realize this may be a surprise to many of you. Over the last two years, we have been contemplating, receiving wise counsel, and processing our values and calling. The biggest reason for this change is that our vision and calling is now to influence the world incarnationally as a life-witness.

I have an ever-growing passion for computer programming and web development and want to use my skills and abilities in the marketplace. Kelly wants to raise our family and be a life-giving part of our community. We will be relocating to Columbus, Ohio at the end of June to be closer to family and friends. Grandma and Grandpa Frenndt will be just a few minutes away!

We thank you so much for your prayers, support, and financial gifts. We would be grateful if you would continue to give your monthly gifts

through the month of October so that we would receive three months of severance pay and health care to help us transition to our new life. As of November 1, our account will no longer be active and any donations that continue to come into our account after November 1, 2006, will go into Campus Crusade for Christ general fund.

If you would like to continue to support Campus Crusade for Christ, we would like to introduce you to good friends of ours, Matt & Deb Bazemore. They work with Christian Leadership Ministries (CLM), the Professor outreach of the campus ministry.

We are so thankful to you for walking with us through these sweet years. Your generosity towards our ministry has been an ongoing blessing as the Lord provided for us and used us in His kingdom. We could not have done this without you! Thank you for your faithfulness to us. We would greatly appreciate your prayers at this time and look forward to seeing many of you again in person.

Yours in Christ,

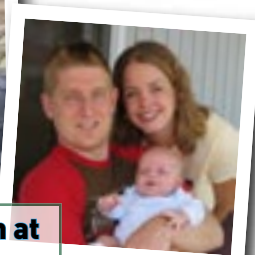

*Ben & Kelly*
